Last year coal constituted about 40 per cent of the total tonnage of the American railways. To carry a ton in England from the Yorkshire coal fields to London, a distance of 158 miles, costs \$1.87, while coal is carried from the Carbondale coal region in Illinois to Chicago, 276 miles, for 75 cents a ton.

The development of the dairy industry in the United States is scarcely realized by business men. In 1893 the butter haul over the Minneapolis and St. Louis Railroad was 400,000 pounds. Last year it was nearly 14,000,000, the gain coming wholly from the developments of creameries along that railroad.

There are 20,000 dry goods stores in the United States.

## A Little Sermon on Fountain Pens

### THE TEXT.

"Clean pens make clear consciences, but inky fingers excite unholy words."

We have just received a large shipment of WATERMAN IDEAL FOUNTAIN PENS.

Probably there is no article which serves more varied requirements than the pen. The tastes and needs of individual users differ in very widest degree. Thus, while the first care of the purchaser should be to secure a pen that is mechanically perfect, durable and reliable, his next is to secure a holder adapted to his use and a pen point fitted to his hand.

In our stock you can find any kind of a point you want, from extra fine to a stub.

### GUARANTEE.

Every Waterman Ideal Fountain Pen we sell is unreservedly guaranteed. Pen points may be exchanged as often as necessary in order to fit the hand, or the full purchase price refunded within 30 days if the pen is not entirely satisfactory.

### STYLOGRAPHIC PENS.

We carry the "Independent" Stylographic Pen and the "Capitol" Fountain Pen, the best dollar pen made.
